Now you can have it all... and more. The Cabana 2500L Suite brings you the year-round dream vacation that you keep in your own back yard. Inside you'll enjoy the perfectly formed lounge and guest seats, soft contoured head rests, entertainment table and built-in cooler compartment. All you need, all the time.

All Suite spas includes the extra wide integrated Suite Steps with slip resistant step treads, sturdy handrail and two side planters plus bonus storage area inside the step. The suite also includes a quality Cover Lifter to make lifting, storing and replacing your cover easy and convenient between every use.

This 4 person hot tub with a full-body lounge has 25 adjustable jets that target shoulders, back muscles and feet for a massaging hydrotherapy experience. Enjoy the comfort pillow headrests to enhance your relaxation. For entertaining or unwinding, the Fountain with Back-lit LED Light and 8 exterior cabinet lights allow you to set the perfect mood.

The durable, lightweight spa comes in seven colour combinations of Syncrylic™ diamond body colors with complementary cabinet panels and trim, to blend beautifully into any outdoor or patio environment. Syncrylic™ is proprietary formula designed to be lighter and more durable than standard acrylic. Syncrylic™ was created to offer the best of both worlds, having the beautiful appearance of acrylic while maintaining the tough, impact-resistant qualities of polyethylene.

Select the perfect temperature, jet speed and lighting scheme using the Digital Controls. The spa is powered by a 3 HPR pump. This 120V 15 amp spa is a plug and play model. The Weather Shield Deluxe Super Seal Cover fits into a deep recessed interlock cover channel to seal in heat, keep out debris and protect your spa for peace of mind. Each spa comes with cover seal strap latch clamps for extra security. Come home to the elegant Cabana 2500L Suite, the ultimate for relaxation, entertainment and family fun.
